Classroom News

Can you please make sure your child is brought to school on time and collected from school promptly at the end of the session/day.

Curriculum

Summer Topic – Healthy Eating

The Early Years curriculum covers 7 areas of learning, each one plays an important part in how your child develops.

PSED – This term the children will be learning about our core values, we will start with respect, for ourselves and each other.

Communication & Language – ‘Talk for Writing’ is a new initiative that we are currently using across the phase to help children retell their favourite stories.

Physical Development – Healthy eating and exercise contributes to a healthy lifestyle, these two concepts will be explored by the children through a variety of activities.

Literacy – The children will be looking at instructional texts, such as recipes.

Mathematics – The children will be exploring money, what it is used for and the different coins and monetary values.

Understanding the World – Within Early Years we celebrate all cultures and festivals, we will be looking at Patron Saints, Jewish and Christian festivals.

Expressive Art & Design – The children will explore a range of media; such as paint, and what happens when they mix it.
