Dear Parents/Carers,

Increase in Charge for School Meal January 2019

As you will be aware from your own weekly shopping bills, the cost of food has been steadily increasing over the last few years. Our caterers, Aspens, have had to pass these increasing costs on to us.

Governors have held the cost of a school meal for some time now but after reviewing the school's meal charges at their meeting in November, they have decided that the school must now increase its meal charges.

From 7th January 2019, the cost of a school meal will be £2.30.

School meal charges apply to children in Years 3 to 6. Infant children are able to take a school meal free of charge. If your circumstances have changed, you might be entitled to free school meals for your Junior child. You can apply online at the address below. It is very quick.
