

Dear Parents,

Salisbury Primary School are delighted to be participating in the School Linking Programme for 2019. The programme is designed to give young people of different faiths and beliefs the opportunity to meet and create long-lasting bonds of understanding and friendship. This year we are delighted to be linking with Lower Farm School in Bloxwich.

We are aiming to:

- * Deepen your child's knowledge and understanding of identity and community.
- * Develop your child's communication skills: their ability to articulate their own identities whilst listening and learning from people with different perspectives, identities and beliefs.
- * Develop your child's awareness of the diversity in their local and wider community.

Children in year 3 will be joining similar aged children from Lower Farm School. In total there will be 3 sessions over the course of the year. The first session will be on Thursday 24th January at Lower-Farm. This will be a free event and therefore we will not require a voluntary contribution. You will need to provide your child with a packed lunch and a drink. Those children who are entitled to free school meals, will be catered for as normal.

Please complete and return the permission slip below by Friday 18th January 2019.

This will be an exciting opportunity for all concerned and we look forward to working with the children and staff at Lower Farm.

Yours sincerely,

Mr. K Sullivan

I give permission for _____ in class _____, to attend the School Linking Programme at Lower Farm School.

Signed _____
