Monday 24th June

Eco- Council Competition

Dear Parent/Guardian,

You may have noticed the garden area in our small playground has changed. Eco-Council have been working extremely hard, with the help of Mr Egerton and Mr Summers, to develop it into an area for the whole school to enjoy.

However, the garden is missing something. We need a logo or poster to be displayed within the garden to promote team work and the importance of caring for the environment. Please turn over for the template for your entry.

The competition is free to enter and a winner from each class will be selected. The winner will be presented, in assembly, with a box of sweets. Entries should be returned no later than Monday 8th July to the office. Please write your name and class on your work.
