Thursday 12th September 2019

Dear Parents/ Guardians,

As we start a new year, we are starting new clubs and remaining with some old clubs that have become popular with the children for Children's University. We are continuing our work with CU and we would like to offer the children in Y3, 4, 5 and 6 to become part of it. By joining clubs in school and outside of school, children can earn hours which build up term upon term, year upon year to achieve Bronze, Silver, Gold and Platinum Awards. If your child takes part in any clubs outside of school, please ask if they can be counted to the hours they earn in Children's University. Your child must attend two clubs or more to be given a passport to log the hours. The passports will be kept in school for safe keeping and to record the hours on a termly basis.

Please can you indicate on the form below which club(s) your child would like to sign up for. I must stress that your child needs to attend their chosen club regularly or risk losing their place in the club and their passport being terminated.

Once they have been accepted into a club, more information will be sent to you. If the club is oversubscribed, then places will be awarded on a first-come-first-served basis and the children will be notified by the club organiser.

I look forward to receiving your request forms and I will be in touch soon with more details for you.

The clubs available to choose from for this term until Christmas are:

Club	Club organiser	Day	Time	Cost	Year Group
