Monday 14th October

Dear Parents/Carers,

I have organised for each year group to visit Darlaston Library to spend time looking at and reading the books there. This is an exciting opportunity for the children to experience their local library and find out what is on offer there.

If your child is already a member of the library, they can bring their library card with them.

If your child is not yet a member, please complete the enclosed 'Library Card Application Form' and return it with the consent form to your child's class teacher. **It is completely free and is a great resource.** Without this, the children will not be able to borrow any books when we visit.

Should you require help completing the 'Library Card Application Form', please inform the office and I will arrange this for you.

As the visit is weather dependent (and taking place during the school day), the dates are variable. You will be notified of the date your child will be visiting via a text message.

Thank you for your continued support with encouraging reading for pleasure.

Yours sincerely,

Mrs Bayley
