Nut Aware School

Dear Parents/Carers,

At Salisbury we strive to provide a safe learning environment for all students. Due to some of our pupils suffering with life threatening nut allergies, we would like to become a NUT AWARE SCHOOL.

An allergic reaction (anaphylactic shock) can occur through ingestion of nut products, cross contamination and breathing nut dust in the air. We are asking all members of the school community for their help in minimising the risk to these children by:

- a) Avoiding giving children nuts or nut products in their packed lunches.
- b) Avoiding giving nuts or nut products or snacks/bars containing nuts for break time snacks.
- c) Avoiding supplying the school with cakes or food items containing nuts for birthday celebrations, sales or events.
- d) Avoiding sending containers such as cereal boxes for DT / Art lessons into school which may have contained produce made with nuts.

We thank you in advance for your co-operation and support regarding this matter. If you have any questions or concerns, please feel free to contact the school office for more information.

Yours sincerely,

Mrs D Steen
Headteacher.
