Wednesday 2<sup>nd</sup> October 2019

Dear Parents/Guardians,

**Reception Road Safety Walk**

The school is working with the Council's Road Safety Team to encourage the uptake of safe sustainable travel for all school journeys. The programme will include road safety training for your child/children and it is essential that parents and carers understand the reasons behind this work and actively support them if we are to see an improvement in road casualty statistics. Part of the process is a Road Safety Walk for all Reception children, which will be carried out with parents/carers to highlight how to acquire road safety skills in a realistic, but safe environment.

A walk has been arranged for your child on:

**Wednesday 23<sup>rd</sup> October at 1-2PM**

There will be a discussion with a member of the Council's Road Safety Team followed by a short walk around the locality of the school. This walk will be of great value to children whether they walk or are brought to school by car.

In order that both the children and parents/carers gain as much from this lesson as possible, I would ask you to make every effort to attend. I appreciate that it is not always possible and if you are unable to on this occasion, then a relative will be acceptable. For safety reasons, children who do not have an adult's hand to hold will not be allowed to take part in the walk

**Please allow 40 to 50 minutes of your time when accompanying your child on the above walk.**

Yours sincerely,

Mrs N Parkes
