Friday 25th October 2019

Dear Parent/Guardian,

As part of our Creative Curriculum topic next half term, 'Why do squirrels hide their nuts?' Nursery and Reception have arranged a 'seasonal sensory walk' in our school forest. This will be an exciting experience where children will learn to use their senses to investigate the habitat and find signs of Autumn.

Teacher	Miss Pang
Class	Nursery
Date	Wednesday 6 th November 2019
Location	School premises
Time	9:00-10:30am
Cost	Free
Special Clothing/Uniform	School uniform. Wellies in a separate bag to change into may also be provided and please ensure your child has a warm waterproof coat with a hood.

For this experience, we would like to invite you to come along with your child and support them as they investigate what season we are in. The walk will take place at 9:00am and you will need to go to the main office before being let into school. However, we must make you aware that anyone arriving after 9:10am will not be allowed to enter the school to join the walk.

Yours sincerely,

Miss Cannon
