Wednesday 8th January 2020

Dear Parents/Carers,

We would like to invite you to a special parent session on Internet Safety, in order to help you remain informed of the dangers that children face online, how you can help to keep your children safe online when they are at home and other support you can offer to your children when using technology at home.

There are 2 sessions being run by Nicola Rudge, the E-Safety Advisor at Walsall Children's Services. The sessions will be held in school on the following dates:

- Thursday 16th January 3:30pm – 4:00pm
- Thursday 23rd January 9:00am – 9:30am

Over the course of those 2 days, children will also be taking part in workshops with Nicola so that they are aware of the importance of keeping safe online and what to do if they have any concerns.

We really hope that you are able to attend one of these sessions, as keeping your children safe online is such an important role you play in their lives.

Yours sincerely,

Mr Forsyth

Internet Safety Parent Session
