

A big thank you to everyone who took part in Salisbury's sunflower growing competition, which was organised by the School Council. Although the weather hasn't been the best for growing plants, we have still had some fantastic entries.

Our winners for the tallest sunflower in each year group were:

- | | |
|-----------|---------|
| Nursery - | Aarudh |
| Year 1 - | Ahanah |
| Year 2 - | Natasha |
| Year 3 - | Sobhan |
| Year 4 - | Mustafa |
| Year 5 - | Fatimah |
| Year 6 - | Rahib |

Well done to everyone who took part, and we can't wait to see how tall next year's sunflowers grow!
