

Brazi

Around the World...

Year 2 explored carnivals, dance, sculptures, rainforests and lemonade 'Brazilian style!'

After exploring carnivals in Brazil, we created our own headdresses with sequins and feathers.

Using Google Earth, we located Brazil and found out about the Christ the Redeemer statue in Rio de Janeiro. The children created their own statues using rolled-up newspaper.

The children were interested in Brazil's national motto: 'Ordem e Progresso'. Meaning 'order and progress' in Portuguese. The children worked together to decide upon a class flag, depicting our school and a motto about the class.
