

For Year 4's Around the World topic, we studied the country: **JAPAN!**

Over the course of the first week back, the children have located Japan and it's four islands, created informative fact files about Japan and completed artwork in the style of different Japanese artists.

The children took part in learning about karate and performed karate movements. Also, the children enjoyed making the Japanese cuisine: Sushi and showed excellent effort in writing a set of instructions to make sushi!
